

Model No. & Piezometer Type	601 Standpipe Piezometers 	615 Drive-Point Piezometers 					
Installation Method	Placed in a test pit, bore-hole or pushed into suitable ground	Direct push (manual slide hammer) or drilling methods					
Applications	<ul style="list-style-type: none"> • water level monitoring • permeability measurements • slope stability investigations • dewatering drainage operations • construction control • air sparging • metals sampling 	<ul style="list-style-type: none"> • water level measurement • groundwater sampling, including VOCs • base flow monitoring in stream beds • contaminant plume delineations • soil gas sampling • UST monitoring • sparge points • low cost, minimal disturbance site assessment • surface water/ groundwater interaction 	615 (w barb)  <ul style="list-style-type: none"> • water or vapor sampling • water level measurement 	615 N (no barb)  <ul style="list-style-type: none"> • water level measurement • water sampling • water level datalogging (using Levellogger and 1" to 3/4" reducer coupling) 	615 C (w compression fitting)  <ul style="list-style-type: none"> • water or vapor sampling 	615 S (w shield and w or w/o barb)  <ul style="list-style-type: none"> • water or vapor sampling • water level measurement 	615 ML (w dual barb port stem)  <ul style="list-style-type: none"> • high-resolution vertical profiling of water or soil gas • Monitor up to 6 zones in one drive when using 1/4" OD tubing and 3 with 3/8" OD tubing
Tubing			5/8" OD LDPE or PTFE	None	1/4" OD LDPE or PTFE	5/8" OD (w barb) LDPE or PTFE	3/8" or 1/4" OD LDPE or PTFE
Screened Lengths/Port Diameters	6", 1 ft, 2 ft, 3 ft tips with 3/8" dia. port intakes.	6", 1 ft tips (1 ft extensions available) with 3/8" dia. port intakes.					6" port with 1" tip at bottom port or extension. Single 1/4" dia. port intake.
Materials	<ul style="list-style-type: none"> • PVC • 60 micron Vyon filter • Neoprene washer 	<ul style="list-style-type: none"> • Stainless steel tip and shields • 50 mesh stainless steel screens 					<ul style="list-style-type: none"> • Stainless steel tip and ports • 100 mesh stainless steel screen
Connecting Pipe	3/4" ID PVC riser pipe and slip couplings	3/4" NPT steel drive pipe and couplings
